

## Presenter Training Series for the 2016 ATP Innovations in Testing Conference

Let us help you! Give your best presentation yet by participating in ATP's Presenter Training series.

This training will help refine your ATP presentation and help advance your career by honing your overall presentation skills! If you are giving an Ignite or Fishbowl session, please read below to learn more about the one-on-one training that is required for your session type.

**New for 2016:** This year we are pleased to offer an **Intermediate-level Presenter Training** session in addition to our First Time Innovations in Testing Presenters session. Please keep in mind that at least one presenter for each session must attend one of the trainings outlined below.

When you join us in Orlando, don't forget to take advantage of the onsite **Speaker Lounge** at ATP, where you can prepare for your presentation, meet with your co-presenters, and get feedback from our Presentation Specialist. The Speaker Lounge will be open throughout the conference (see the info desk for location) and the hours the Presentation Specialist is available will be posted in the room.
