

## Frequently Asked Questions Innovation Debates

---

### **What is the format of my session?**

In a fast-paced, 50-minute, speakers will present diverging perspectives on a hot topic in the assessment industry. Each Innovation Debate will include a resolution on a topic and briefly identify each side of the topic to be discussed. These presenters do not need to concur with the view they are presenting but will prepare a well-rounded presentation of various perspectives for each side.

### **Will there be someone to moderate the debate?**

The conference will not provide a moderator for the debate. One of the speakers in your session will need to take on this role.
