INNOVATION, PEOPLE, AND IMPACT

FEBRUARY 21-24
SAN DIEGO, CALIFORNIA

DEAR COLLEAGUE

On behalf of ATP, it is my pleasure to invite you to partner with us as a sponsor of the 28th Annual Innovations in Testing Conference, taking place February 21–24, 2027, at the Town and Country Resort in San Diego, California.

Each year, the Innovations in Testing Conference brings together the global assessment community to exchange ideas, foster collaboration, and explore the technologies and innovations shaping the future of testing. In 2027, we are excited to gather under the theme **Connecting Innovation, People, and Impact.**

This year's theme celebrates the individuals and ideas transforming the assessment industry. Together, we'll celebrate the people driving innovation across educational, credentialing, workforce, talent, and licensure assessment while exploring how meaningful connections can create lasting impact throughout our industry.

Last year in New Orleans, the Innovations Conference welcomed over 1,100 attendees from around the world. Building off that success, we are excited to welcome delegates, sponsors, and speakers back for the 2027 conference.

The 2027 sponsorship packages provide meaningful benefits and the flexibility to customize opportunities that align with your organization's specific goals. This year's packages have been carefully crafted using insights from sponsor debriefs, post-conference surveys, and ongoing conversations with our community. Whether your goal is to increase brand awareness, generate new business opportunities, showcase innovative products and services, or strengthen relationships with existing clients, we offer sponsorship opportunities designed to help you achieve your objectives.

By uniting visionary leaders, cutting-edge technologies, and groundbreaking ideas in one collaborative hub, the conference creates an unparalleled environment for professional development, interactive learning, and strategic networking that drives the future of assessment forward. As a sponsor, your organization will be positioned at the forefront of this transformative gathering, gaining exceptional visibility among industry decision-makers while demonstrating your commitment to advancing assessment innovation and excellence.

Join us in San Diego as we move the industry forward and shape the future of assessment together.

Thank you for your continued support of ATP and the Innovations in Testing Conference.

Warmest Regards,

What are your rights?

Your rights in relation to your personal information are to: (1) be informed about its use; (2) have access to your information; (3) correct your personal information; (4) have your personal information deleted; and (5) restrict how we use your personal information. You also have the right to have your personal information ported to others; however, because the ATP's use of your personal information is limited to individual registration (e.g., for Conferences and other events, as speakers at ATP events, and/or as an event sponsor) and marketing activities related to the Innovations Conference, it is not technically feasible for the ATP to honor such a request because we are not able to exchange that information with another entity with which we have no direct interface or any reason to exchange data. You are also entitled to know if the ATP is using any automated decision-making (including profiling); the ATP does not use any such automated technologies in the processing of your personal information.

How to exercise your rights regarding the collection and use of your personal information

You have the right to withdraw your consent at any time during use of this website or by emailing the ATP at erin.williams@testpublishers.org. However, any data processing performed by the ATP prior to your withdrawal of consent cannot be undone. You also have the right to object to the ATP's collection and/or use of your personal information, or to request access to your information as well as to request that we correct any information we have or to remove you from our records. If your personal information changes (e.g., zip code, phone, email or postal address), you can change online, physical contact, and other information by contacting ATP as shown above. If you wish to correct/update/delete information or no longer desire to receive information from ATP, you can notify us by using any of the information in the Contact section of this policy. We will respond to your request to access within 30 days.

You may file a complaint with the ATP by emailing us at erin.williams@testpublishers.org, and the ATP will respond without undue delay, within at least 30 days unless we inform you that additional time will be required. In addition, you have the right to file a complaint with your relevant Supervisory Authority (i.e., Data Protection Authority).

Audio/Video Recording of Events

When you register and/or participate in the E-ATP Conference, the Innovations Conference, other ATP-sponsored events (Live or Virtual), you will be participating in an event where photography, video recording and audio recording may occur. By participating and/or registering for these events, you consent to video recording, audio recording, photography and its/their release, publication, display, or reproduction to be used for digital passes, webcasts, marketing/promotional purposes, audiocasts, advertising, inclusion on web sites, or for any other purpose(s) that ATP, its associates and/or representatives deems fit to use. You release ATP owners, staff and all persons involved from any liability connected with the taking, recording, digitizing, or publication of interviews, photographs, computer images, video and/or or sound recordings.

By entering the event/conference (conference venue or virtual meeting platform), you waive all rights you may have to any claims for payment in connection with any streaming, webcasting, audiocasting, or other publication of these materials, regardless of the purpose. You also waive any right to review or approve any photo, video, or audio recording taken by ATP or the person or entity designated to do so by ATP.

How does the ATP obtain your consent?

At the end of this Privacy Policy, you will be asked to indicate your affirmative consent agreeing to its terms and conditions, and thereby allowing the ATP to collect and use your personal information.

Affirmative Consent

I have read the above information presented by the ATP about its Privacy Policy, including the Use of Cookies. I hereby give affirmative consent to the ATP to collect and use my personal information.
